

To Download from our Website, please follow these instructions:

1. Go to the Download Section of the Website
2. Download this file to your PC: [ProfilReader.APK](#) (APK is an Android setup file).
3. Connect the Android device to the PC using the USB cable supplied.
4. Use Windows Explorer on your PC to copy the APK file to the Android device. Any location is ok, but it is easier in the download folder. After copying the file, disconnect the device.
5. Tap on Apps
6. Select the My Files/Device Storage/download folder
7. You'll see a file listing.
8. Tap the Profil Reader.APK
9. You will get an Installed Blocked message
10. Tap Settings - > Security. Place a checkmark next to "Unknown sources." (This allows installation of the app from a source other than the Play Store).
11. Tap OK to the warning prompt.
12. Tap Install
13. Tap Open
14. The [ProfilReady.APK](#) is now installed in you Tablet
